# IOSH Managing Safely Training Course

## Who is managing safely for?

Managing safely is designed for managers and supervisors in any sector, and any organisation. They won't suddenly become safety experts – but they'll get up-to-speed on the practical actions they need to take and gain the knowledge and tools to tackle the safety and health issues they're responsible for. Importantly, Managing safely makes the powerful case for safety and health being such an essential part of their job.

## What does the business get?

- Peace of mind offered by training that's designed and quality-controlled by the Chartered body for safety and health professionals, IOSH
- Not too much downtime – the programme can be delivered flexibly so that it suits your business.
- Efficient and effective learning – health, safety and environmental basics are covered in a single programme
- Nationally-recognised and respected certificated managers and supervisors

## Managing safely covers...

- Assessing risks
- Controlling risks
- Understanding responsibilities
- Understanding hazards
- Investigating incidents
- Measuring performance
- Protecting our environment

Successful delegates are awarded an IOSH Managing safely certificate.

## What results can I expect?

- Greater productivity, from fewer hours lost due to sickness and accidents
- Improved company-wide safety awareness culture and appreciation for safety measures
- Active staff involvement to improve the workplace
- Enhanced reputation within the supply chain

*Training available across the UK at your premises one of our Training Centres*

## Course Duration:

3 Days
