# CITB SSSTS Training Course

SSSTS Training – Boss Training are able to arrange Construction Skills Site Training Plus – The industry-recognised training course that is perfect for organisations which need to provide evidence of health and safety compliance. We work closely with carefully selected training partners and instructors who have a wealth of training experience. The SSSTS training course underlines the fundamental obligation to develop health and safety and to oversee it efficiently.

It is authorised by the United Kingdom Contractors Group (UKCG) as the accepted training scheme for all supervisors employed on UKCG sites. It gives an introductory outline to health and safety, welfare and environmental concerns for those persons who may lack a clear understanding of their legal responsibilities relevant to their work activities in safely managing a construction site. The course covers The Health & Safety at Work Act and the regulations relevant to the Construction Industry (and other workplaces).

## Course Content:

- Health & Safety at Work Act
- CDM – roles of Dutyholders
- Working at height regs
- PPE
- COSHH
- Electricity
- Excavations
- Demolition
- Fire prevention

## Course Duration:

Two full days classroom based training
