Abrasive Wheels Training Course

The Abrasive Wheels training course is intended for persons involved in the use, inspection or mounting of abrasive wheels and is designed to provide training as required under The Provision and Use of Work Equipment Regulations 1998 (PUWER 98).

Abrasive Wheels Safety Training can be carried out at our training centre, or on-site nationwide at a location to suit you. Whichever option you choose, you can be sure that your operatives will be trained to a high standard of competency in the mounting, safe use and maintenance of abrasive wheels.

Course Agenda:

- Health & Safety at Work Act 1974
- Duties of the employer and the employee
- Management of Health & Safety at Work Regulations 1992
- Abrasive Wheels Do's and Dont's
- Storage and Maintenance
- PUWER 1998
- Abrasive Wheels Test

Course Duration:

Half Day (4 Hours)

Hint:

Combine this course with one of the following half day courses to maximize your training budget

- Manual Handling
- UKATA Asbestos Awareness
- Harness
- Ladders & Steps

BOSS Certificated courses have the optional benefit of a **Training Identity Card**. This handy card is the same size of a credit card and fits neatly into any wallet or identity holder. Please ask for details when making arrangements for training.
